Re: Fence Height Amendment

Dear Mr. Dematteis:

Enclosed, please find the *original*, fully executed and recorded Amendment to The Tidewater at New Albany Declaration of Covenants, Easements, Conditions and Restrictions, Assessment Liens and Tidewater Homeowner's Association. The Amendment was filed with the Franklin County Recorder's Office on February 8, 2018, at Instrument No. 201802080017573. The Amendment became binding and effective on the date it was filed. Please keep the original Amendment in the Association's *permanent* file.

The entire document must be copied and delivered to every owner, including the Board members. The filed Amendment can be emailed to owners who have previously provided the Board with their email address. For any owner who has not provided the Board with an email address in the past, the Board needs to provide the owner with a copy of the Amendment by hand delivery or by regular U.S. mail.

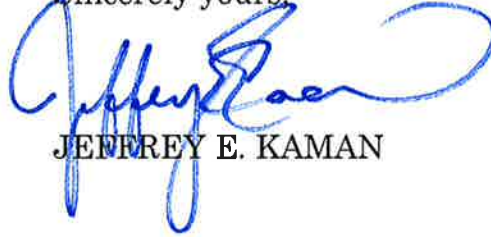

Please include with the Amendment document a cover letter to each owner that advises them that the Amendment should be filed with their copy of the Declaration and Bylaws and that they must pass the documents on to any future buyer of their home.

The cover letter should also advise owners that the fence restrictions have been amended to permit a fence height 60 inches above finished grade.

Now that the Amendment has been recorded and delivered to the Association, our work on this matter is complete and I have closed our file accordingly. It has been my pleasure to work together with the Association on this matter.

Should you or any of the other Board members have any questions, please do not hesitate to telephone me.

Sincerely yours,

Amendments

Dear Mr. Dematteis:

Enclosed, please find the original, fully executed and recorded Amendments to the Declaration of Covenants, Easements, Conditions and Restrictions, Assessment Liens for Tide Water Homeowner's Association. The Amendments were filed with the Franklin County Recorder's Office on April 27, 2016, at Instrument No. 201604270051754 and became binding and effective on the date they were filed.

At this time, please send a copy to every owner, including the Board members. In doing so, owners should be advised to file the Amendments with their respective copy of the Declaration and Bylaws and that all of the documents must be passed onto the future buyer of their home.

In sending out the Amendments, a cover letter should be included that advises owners that:

- 1) As a general matter, Tidewater HOA is an owner-occupied community; lots are not to be purchased and held for investment/leasing purposes. As such, the leasing of lots at Tidewater is prohibited with few exceptions.

The occupancy of an owner's lot by the owner's parent(s) or child(ren) is not considered a rental and is permitted.

Any owner currently leasing their lot, and who has registered their lot with the Association within 90 days of April 27, 2016, may continue to lease the unit until title to the unit is transferred to a subsequent owner.

In addition, every owner may lease their unit when faced with a hardship for up to a maximum total of 24 consecutive months; no extensions beyond the 24 month period are permitted for any reason. The right to lease a unit for a total of 24 consecutive months began for every unit owner on April 27, 2016, the day the amendment was filed with the County Recorder's Office. Unit rentals before April 27, 2016, do not count against the 24 month cap.

- 2) Tier III sexual offenders for whom the County Sheriff must provide notice are now prohibited from living or residing on the property. Pursuant to Ohio Revised Code Section 2950.11, the sheriff must notify either the individual owners or the Association of a Tier III sexual offender. If the Management Company and/or Association receives such notification, the Association will photocopy the notice and distribute the notice to all residents. By informing the residents of the presence of a Tier III sexual offender, the Board is allowing residents to take individual precautions that they deem appropriate until the Association can initiate legal action to have the Tier III sexual offender removed from the property.
- 3) Future owners must now pay a one-time, flat fee of two times the monthly assessments to boost the Association's reserve account from new purchasers who have not been required to fund the Association's reserves over time.
- 4) The Board may now promulgate rules for the maintenance, conservation, and beautification of the property.
- 5) The Board now has the authority to approve major exterior modifications on the lots and to establish guidelines for major renovation projects.
- 6) Any owner who provides the Board with the appropriate written notice may now receive any required notice, may accomplish any signature, vote, consent or approval, and may make a payment through electronic mail, electronic transmission, or any other technology

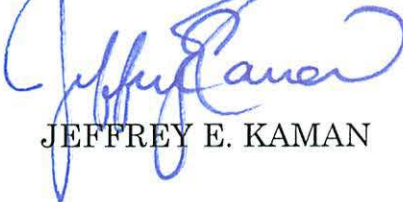

so available in the future. To encourage owners to register for electronic notices, I recommend that you include a notice form that an owner may complete and return to the Association.

- 7) Owners must now keep their grass and lawns no longer than 6 inches in height from grade level.

With the receipt of the recorded Amendments, our work on this matter is complete and I have closed our file accordingly.

Should you or any of the Board members have any questions or wish to further discuss this matter, please do not hesitate to telephone me.

Sincerely yours,

JEFFREY E. KAMAN

NOW THEREFORE, the Declaration of Covenants, Easements, Conditions and Restrictions, Assessment Liens of Tidewater Homeowner's Association is amended by the following:

AMENDMENT A

INSERT a new DECLARATION ARTICLE IV, SECTION Z entitled, "Leasing of Lots." Said new addition, to be added on Page 8 of the Declaration, as recorded at Franklin County Records, Instrument No. 200604270078970, is as follows:

Z. Leasing of Lots. To create a community of resident Lot Owners; no Lot can be leased, let, or rented, whether for monetary compensation or not, by an Owner to others for business, speculative, investment, or any other purpose, subject to the following:

1. The above prohibition does not apply to:

(a) Lots that are occupied by the parent(s) or child(ren) of the Owner(s); or,

(b) any Owner(s) leasing or renting their Lot at the time of recording of this amendment with the Franklin County Recorder's Office, and who has registered their Lot as being leased with the Association within 90 days of the recording of this amendment ("Grandfathered Lot"); said Owner(s) can continue to enjoy the privilege of leasing that Lot, subject to the restrictions and requirements in Paragraph 3, until the title to said Grandfathered Lot is transferred to a subsequent Owner(s), at which time the Lot will no longer be classified as a Grandfathered Lot.

2. To meet a special situation and to avoid a practical difficulty or other undue hardship, each Owner(s) has the right to lease their Lot to a specified lessee for a one-time period of no more than 24 consecutive months, subject to the restrictions and requirements as identified in Paragraphs 3 and 4 below. To exercise this right, the Owner cannot be more than 30 days delinquent in any assessment or other payment due to the Association and the Owner must provide the Board with prior, written notice at least 10 business days prior to the commencement of the lease. If the Owner is more than 30 days delinquent, the Owner may request and receive a one-time hardship exception only with the Board's prior written consent.

3. The leasing of any Lot in accordance with subparagraphs (a) or (b) above is subject to the following conditions and restrictions:

(a) No Lot can be rented or leased by the Owner(s) for transient purposes, which is defined to mean a rental for any period less than six full, consecutive calendar months, nor rented or leased to any business or corporate entity for the purpose of corporate housing or similar type usage. Sub-leasing of any Lot, in whole or in part, is also prohibited.

(b) The Association has at all times a limited power-of-attorney from and on behalf of any Owner who is more than 30 days delinquent in the payment of any Assessment or charges due the Association to collect the lease/rent payments directly from the delinquent Owner's tenant/renter until such delinquency is paid in full.

(c) All leases must be in writing and a copy provided to the Board prior to the beginning of the lease term. The lessee must abide by the terms of the Declaration, Bylaws, and rules and regulations. When an Owner leases their Lot, the Owner(s) relinquishes all amenity privileges, but continue(s) to be responsible for all obligations of ownership of their Lot and is/are jointly and severally liable with the lessee to the Association for the conduct of the lessee and/or any damage to property.

4. Any land contract for the sale of a Lot must be recorded with the Franklin County Recorder's Office and a recorded copy of the land contract must be delivered to the Board within 30 days of such recording. Any land contract not recorded is an impermissible lease.

5. The Board may adopt and enforce rules and/or definitions in furtherance, but not in contradiction of the above provisions, including, without limitation, rules to address and eliminate attempts to circumvent the meaning or intent of this Section Z and in furtherance of the preservation of Tidewater as an owner-occupied community and against the leasing of Lots for investment or other purposes. The Board further has full power and authority to deny the occupancy of any Lot by any person or family if the Board, in its sole discretion, determines that the Owner of such Lot is intending or seeking to circumvent the meaning, purpose, or intent of this Section Z.

Any conflict between this provision and any other provisions of the Declaration and Bylaws will be interpreted in favor of this restriction on the leasing of Lots.

The invalidity of any part of the above provision does not impair or affect in any manner the validity or enforceability of the remainder of the provision. Upon the recording of this amendment, only Owners of record at the time of such filing have standing to contest the validity of the amendment, whether on procedural, substantive, or any other grounds, provided further that any such challenge must be brought in the court of common pleas within one year of the recording of the amendment.

AMENDMENT B

INSERT a new DECLARATION ARTICLE IV, SECTION AA entitled, "Occupancy Restriction." Said new addition, to be added on Page 8 of the Declaration, as recorded at Franklin County Records, Instrument No. 200604270078970, is as follows:

AA. Occupancy Restriction. A person who is classified a Tier III or Tier II sexual offender/child-victim offender, or any future equivalent classification, and for whom the County Sheriff or other government entity must provide community notification of the sex offender's residence is prohibited from residing in or occupying a Lot or remaining in or on the Property for any length of time. The classification of a sexual offender/child-victim offender and determination of whether notice is required is made by a court of law pursuant to the Ohio Sex Offenders Act, as may be amended or renamed from time to time, or similar statute from another jurisdiction. The Association is not, however, liable to any Owner or occupant, or anyone visiting any Owner or the Association, as a result of the Association's alleged failure, whether negligent, intentional, or otherwise, to enforce the provisions of this restriction.

Any conflict between this provision and any other provisions of the Declaration and Bylaws will be interpreted in favor of this restriction on the occupancy of Lots. The invalidity of any part of the above provision does not impair or affect in any manner the validity or enforceability of the remainder of the provision. Upon the recording of this amendment, only Owners of record at the time of such filing have standing to contest the validity of the amendment, whether on procedural, substantive, or any other grounds, provided further that any such challenge must

be brought in the court of common pleas within one year of the recording of the amendment.

AMENDMENT C

INSERT a new DECLARATION ARTICLE VII, SECTION B, PARAGRAPH 9 entitled, "Capital Contribution." Said new addition, to be added on Page 12 of the Declaration, as recorded at Franklin County Records, Instrument No. 200604270078970, is as follows:

9. Capital Contribution. Each purchaser of a Lot, regardless of how title is acquired, will be required to make, at the time such purchaser acquires title to a Lot, a one-time capital contribution to the Association in the amount of two times the Annual Assessment attributable to said Lot. The capital contribution to be paid hereunder is not an escrow or advance and is not refundable. Said capital contribution is due and collectible from the Owner at the time of transfer of record title of the Lot and will be used to fund a replacement reserve. Notwithstanding anything else contained herein, this one-time capital contribution assessment will not apply, and will not be collected, in the following limited circumstances:

(a) If there is a record title transfer between a current Owner and that Owner's family trust where the trustee or beneficiary of the trust is the Owner or where the trustee or beneficiary is an immediate family member of the Owner; or

(b) If a Lot is refinanced in the name of the current Owner; or

(c) If a current Owner records a deed or other conveyance for the sole purpose of adding the name of a family member(s) to the legal title of the Lot; or

(d) If a current Owner directly transfers recorded title of a Lot to a family member(s); or

(e) In the event of the death of an Owner, if the title of the Lot is transferred to a family member(s) of the Owner through a probate estate, trust or other legal vehicle or instrumentation of inheritance; or

(f) If the Owner records a deed for the purpose of reflecting a personal name change created by marriage or other legal means.

Any conflict between this provision and any other provisions of the Declaration and Bylaws will be interpreted in favor of this creation of a one-time, flat fee to be paid by Owners upon acquisition of title to a Lot. The invalidity of any part of the above provision does not impair or affect in any manner the validity or enforceability of the remainder of the provision. Upon the recording of this amendment, only Owners of record at the time of such filing have standing to contest the validity of the amendment, whether on procedural, substantive, or any other grounds, provided further that any such challenge must be brought in the court of common pleas within one year of the recording of the amendment.

AMENDMENT D

DELETE DECLARATION ARTICLE II, SECTION O entitled, "Rules," in its entirety. Said deletion to be taken from Page 4 of the Declaration, as recorded at Franklin County Records, Instrument No. 200604270078970.

INSERT a new DECLARATION ARTICLE II, SECTION O entitled, "Rules." Said new addition, to be added on Page 4 of the Declaration, as recorded at Franklin County Records, Instrument No. 200604270078970, is as follows:

O. Rules: mean and refer to reasonable rules adopted and promulgated by the Board, by written notice to the Owners, as the Board deems advisable for the maintenance, conservation and beautification of the Property, including the Lots and the Reserves, and/or for the reasonable health, comfort, safety and general welfare of the Owners and occupants, and/or to govern the operation and use of the Property or any portion thereof, and to establish a procedure for levying and collecting reasonable enforcement assessments for

any infractions of the Rules, or any covenant, condition, restriction or responsibility of this Declaration or the Bylaws.

Any conflict between the above provisions and any other provisions of the Declaration and Bylaws will be interpreted in favor of this amendment to permit the Board to adopt and enact rules. The invalidity of any part of the above provision does not impair or affect in any manner the validity or enforceability of the remainder of the provision. Upon the recording of these amendments, only Owners of record at the time of such filing have standing to contest the validity of these amendments, whether on procedural, substantive, or any other grounds, provided further that any such challenge must be brought in the court of common pleas within one year of the recording of the amendments.

AMENDMENT E

INSERT a new PARAGRAPH to the end of DECLARATION ARTICLE V, SECTION A. Said new addition, to be added on Page 9 of the Declaration, as recorded at Franklin County Records, Instrument No. 200604270078970, is as follows:

No building, fence, wall, sign or other structure will be commenced, erected, altered, modified, or remodeled on the Property, including the Lots, nor will any exterior addition to or change or alteration to a Lot be made, unless and until the plans and specifications showing the nature, kind, shape, height, materials, color and location of the same will have been submitted to and approved in writing by the Board or its designated representative, as to lawfulness and appropriateness, and as to harmony of external design, color, materials, size, and location in relation to surrounding structures and topography. In furtherance of the Board's architectural approval authority, the Board may adopt reasonable Rules in its business judgment discretion governing design and architectural standards for Lots.

Any conflict between this provision and any other provisions of the Declaration or Bylaws will be interpreted in favor of this change in the approval procedure for architectural control on developed Lots. The invalidity of any part of the above provision will not impair or affect in any manner the validity or

enforceability of the remainder of the provision. Upon the recording of this amendment, only Owners of record at the time of such filing will have standing to contest the validity of the amendment, whether on procedural, substantive, or any other grounds, provided further that any such challenge will be brought in the court of common pleas within one year of the recording of the amendment.

AMENDMENT F

[Intentionally Left Blank - Amendment Proposal Did Not Pass]

AMENDMENT G

DELETE DECLARATION ARTICLE XIII, SECTION J entitled, "Notices" in its entirety. Said deletion, to be made on Page 17 of the Declaration, as recorded at Franklin County Records, Instrument No. 200604270078970.

INSERT a new DECLARATION ARTICLE XIII, SECTION J entitled, "Notices." Said new addition, to be added on Page 17 of the Declaration, as recorded at Franklin County Records, Instrument No. 200604270078970, is as follows:

J. Notices. All notices required or permitted by the Declaration and under the Bylaws, to the Association or the Board of Directors, must be in writing and sent by regular U.S. mail, first-class postage prepaid, to the Board or the Association at the Property's address or to such other address as the Board may designate from time to time by notice in writing to all Owners. All notices to any Owner must be sent by one of the following methods: 1) hand-delivered, or 2) sent by regular U.S. mail, first-class postage prepaid to such Owner's Lot address, or 3) to such other address as may be designated by the Owner, in writing, to the Board of Directors, or 4) by electronic mail or other use of technology pursuant to the provisions below. Any notice required or permitted to be given to any Lot occupant other than the Owner will effectively be given if hand-delivered or sent by regular U.S. mail, first-class postage prepaid, to the Lot address.

Due to the ongoing development of new technologies and corresponding changes in business practices, to the extent permitted by Ohio and Federal law, as well as by the Board, now or in the future: (1) any notice required to be sent or received; (2) any signature, vote, consent, or approval required to be obtained; or (3) any payment required to be made, under the Declaration or Bylaws, may be accomplished or required using the most advanced technology available at that time provided such use is a generally accepted business practice. This includes, without limitation, the use of electronic mail or other electronic transmission in lieu of any Association required written notice to Owners, individually or collectively, to or from any Owner who has given the Association written consent to such use of electronic mail or other electronic transmission, and for the Association to properly and effectively receive any Owner's signature, vote, consent, or approval the Association needs or requires, subject to the following:

1. An electronic mail or other electronic transmission to an Owner is not considered delivered and effective if the Association's transmission to the Owner fails two consecutive times, e.g. the Association receives an "undeliverable" or similar message, or the inability to deliver the transmission to the Owner becomes known to the person responsible for sending the transmission. No-Build Zones: Any areas designated on the Subdivision plat, in prior deed restrictions, or on Exhibit "C", as "No-Build Zones" shall be areas in which no Owner shall have the right to construct or locate any Improvements. In vegetated No-Build Zones, Owners may perform maintenance necessary for the safety of persons and property (i.e. removing noxious and poisonous plants, or removing dead trees which may fall and harm persons or other Improvements). Grassed No-Build Zones shall be mowed, trimmed and watered by the person(s) responsible for the maintenance of the specific area in question according to the other terms hereof.

VII. HOMEOWNERS' ASSOCIATION

A. Purpose; Membership: The Association shall be to own, maintain, and landscape Reserves B, C, E, and F, as well as the entry features and other areas that may from time to time be conveyed to it; and, if necessary, to establish uniform rules and regulations pertaining to the maintenance and use of the Reserves and the Improvements. The Association membership shall be comprised of the record Owners of all Lots. The Owners of each Lot shall have one (1) vote for each Lot owned in all elections and in all matters requiring a vote as set forth herein.

B. Assessments: Each Owner of any Lot, by acceptance of a deed or other conveyance thereto, whether or not it shall be so expressed in such deed or conveyance, is deemed to covenant and agree to pay to the Association an initial assessment, an annual assessment for common expenses (as hereinafter defined) and special assessments (as hereinafter provided).

1. Annual Assessment for Common Expenses:

- a. Annual Assessment: The annual Common Expense Assessment per Lot shall commence within sixty (60) days following the issuance of an occupancy permit or other instrument allowing occupancy of a dwelling, which shall be at the rate determined by the Association for all Lots in the Subdivision.
- b. Increases: Increases are limited as provided in the Rules or corporate documents of the Association.

2. Special Assessment for Capital Improvements: In addition to the Annual Assessments authorized above, the Association may levy, in any Assessment year, a Special Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or major maintenance related to the Reserves or Improvements, provided that any such Special Assessment shall have the assent of sixty percent (60%) of the total votes of all Owners of Lots at a meeting duly called for this purpose; provided, however, any Lot owned by the Developer shall not be entitled to vote for such increase.

3. Notice of Meeting and Quorum for Any Action Authorized: Written notice of any Members' meeting called for the purpose of taking any action for increases in excess of fifteen percent (15%) above the Assessment for the previous year or for the purpose of special increases or Special Assessments for capital improvements shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At such meeting, the presence of Members or of proxies entitled to cast a majority of all votes shall constitute a quorum.

4. Date of Commencement of Annual Assessments; Due Dates: The Annual Assessments for Common Expenses shall commence within sixty (60) days following the issuance of an occupancy permit or other instrument allowing occupancy of a dwelling as to each Lot. The Association shall fix the amount of the Annual Assessment for Common Expenses against each Lot not later than December 1 of each calendar year for the following calendar year. Written notice of the Annual Assessment for Common Expenses shall be sent to every Owner subject hereto. Unless otherwise established by the Association, Annual Assessments for Common Expenses shall be collected on an annual basis.

5. Lien for Assessment: All sums assessed to any Lot pursuant hereto, including those owned by Developer together with interest and all costs and expenses of collection, including reasonable attorneys fees, shall be secured by a continuing lien on such Lot in favor of the Association.

6. Effect of Nonpayment of Assessment; Remedies of the Association: Any Assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of twelve percent (12%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot. No Owner may waive or otherwise escape liability for the Assessment provided for herein by non-use of the Reserves or Association property, or abandonment of the Lot.

7. Foreclosure: The lien for sums assessed pursuant hereto may be enforced by judicial foreclosure by the Association in the same manner in which mortgages on real property may be foreclosed in Ohio. In any such foreclosure, the Owner shall be required to pay all costs and expenses of foreclosure, including reasonable attorneys fees. All such costs and expenses shall be secured by the lien being foreclosed. The Owner shall also be required to pay to the Association any Assessments against the Lot which shall become due during the period of foreclosure, and the same shall be secured by the lien foreclosed and accounted for as of the date the Owner's title is divested by foreclosure. The Association shall have the right and power to bid at the foreclosure or other legal sale to acquire the Lot foreclosed, and thereafter to hold, convey, lease, rent, encumber, use and otherwise deal with the same as the Owner thereof.

8. Subordination of the Lien to Mortgages: The lien of the Assessment provided for herein shall be subordinate to the lien of any first mortgage which is given to or held by a bank, savings and loan association, FNMA, GNMA, insurance company, mortgage company or other lender, or which is guaranteed or insured by the FHA or VA. The sale or transfer of any Lot pursuant to foreclosure of such a first mortgage or any proceeding in lieu thereof, shall extinguish the lien of such Assessments as to payments which shall become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any Assessments which thereafter become due or from the lien thereof. The Association shall, upon written request, report to any such first mortgagee of a Lot any Assessments remaining unpaid for a period longer than thirty (30) days after the same shall have become due, and shall give such first mortgagee a period of thirty (30)

days in which to cure such delinquency before instituting foreclosure proceedings against the Lot; provided, however, that such first mortgagee shall have furnished to the Association written notice of the existence of its mortgage, which notice shall designate the Lot encumbered by a proper legal description and shall state the address to which notices pursuant to this paragraph are to be given. Any such mortgagee holding a lien on a Lot may pay, but shall not be required to pay, any amounts secured by the lien created by this Article.

C. Right of Association to Repair Lot. If any Owner fails to maintain his/her/their Lot in the manner required herein, and if the Board determines that any maintenance of that Lot is necessary to ensure public safety, to permit reasonable use or enjoyment of the Common Property by Owners, to prevent damage to or destruction of any other part of the Common Property or to comply with the Rules or the terms of this Declaration, then the Board may authorize its employees or agents to enter the Lot at any reasonable time to complete the necessary maintenance and the Board may levy a Lot Assessment for all reasonable expenses incurred.

D. Damage to Common Property By Owner or Occupant. If the Common Property is damaged by any Owner or occupant, his/her/their family, guests, or invitees, then the Board may levy a Lot Assessment against such Owner for the cost of repairing or replacing the damaged property. The Association shall be entitled to enter a Lot to repair or maintain any Common Property adjacent to such Lot.

MISCELLANEOUS TERMS

XII. PLAT NOTES

The Subdivision plat creates various easements, limitations and restrictions with respect to the property encompassed thereby. Those limitations and restrictions include the following:

NOTE A: No determination has been made by the Village of New Albany, Ohio, as to whether the area proposed to be platted contains area(s) that could be classified as Wetlands by the Army Corps of Engineers. It is the Developer's responsibility to determine whether Wetlands exist on the Subdivision site. The Village of New Albany's approval of the Subdivision plat does not imply any approval for the development of the site as it may pertain to Wetlands.

NOTE B: At the time of platting, all of the Subdivision land is in Zone A (No base flood elevations determined), Zone AE (Base flood elevations determined), Zone X (areas of 500-year flood; areas of 100-year flood with average depths of less than one foot or with drainage areas less than one square mile and areas protected by levees from 100-year flood) and Zone X (areas determined to be outside 500-year flood plain) designated and delineated upon the FEMA Flood Insurance Rate Map for Franklin County Ohio, and Incorporated Areas, map number 39049CO182G with effective date August 2, 1995.

NOTE C: Reserve "A" as designated and delineated on the Subdivision plat shall be owned and maintained by the Village of New Albany for the purpose of open space.

NOTE D: Reserve "D" as designated and delineated on the Subdivision plat shall be owned and maintained by the Village of New Albany, Ohio. The Developer, however, reserves the right to obtain Reserve "D" from the Village of New Albany at no cost in connection with a future development of property north of Reserve "D".

NOTE E: Reserves "B", "C", "E" and "F" as designated and delineated on the Subdivision plat

shall be owned and maintained as public open space by the Association comprised of the Lot Owners. Said Association shall maintain said Reserves at its cost and at its risk and shall hold the Village of New Albany, Ohio, harmless from actions resulting from said ownership and maintenance.

NOTE F: Minimum front, side and rear yard setback distances: The minimum front, side and rear yard setback distances, required by the zoning district regulations in effect at the time of platting for each Lot in the Subdivision, are given in the following table:

Front:	(front the street right-of-way line) Distance indicated by "Building Line" as shown on this plat.
Side:	10 feet minimum
Rear:	30 feet minimum

NOTE G: Depressed Driveways: Depressed driveways are hereby prohibited on all Lots. Nothing herein, however, shall prohibit the construction and use of, if otherwise permitted, a driveway alongside or to the rear of a residential structure.

NOTE H: Stream and/or Wetland Preservation Zone Restrictions: The stream and/or Wetland Preservation Zone (Preservation Zone) indicated herein will run with the land in perpetuity so that the Preservation Zone shall forever be restricted from development with buildings, structures, and uses. It is also the intent and purpose of the Preservation Zone to restrict and forbid any activity or use which would as a natural consequence of such, impede or make more difficult the accomplishment of the purpose of which the Preservation Zone was created.

Additional restrictions include:

- No dumping or burning of refuse
- No hunting or trapping
- Natural resources of the Preservation Zone shall remain undisturbed and no topsoil, sand, gravel or rock shall be excavated or removed.
- Nothing shall be permitted to occur on the premises which would contribute to the erosion of the land and no trees shall be cut or removed except for removal of such dead, diseased, noxious, or decayed trees or vegetation which may be required for conservation or scenic purposes, or for reasons of public safety.
- No private encroachment shall be permitted, such as, but not limited to, planting of flowers, shrubs, garden material, etc., dumping of trash or debris, or the installation of any type of recreation or other facility or convenience.
- No roadway or any facility of any public utility facilities or those outlined in the original plan shall be permitted to be constructed or installed in the premises.

NOTE I: Tree Preservation and No Build Zone: Within those areas designated on the Subdivision plat as "Tree Preservation and No Build Zone", no accessory building, fences, walks, steps or improvements of any kind shall be constructed, except underground utility lines that may be necessary to serve a Lot or other uses in the area. Reasonable efforts shall be used to ensure that minimal vegetation disturbances or minimal topography alterations occur in these areas. No trees over four inches in diameter shall be removed in these designated areas excepting where utilities cross these designated areas. Dead plant material may be removed. Said zones shall be maintained by the Owners of the Lots upon which such zones are located. Said zones shall also be for the purpose of constructing, operating and maintaining major storm water drainage swales and/or other storm water drainage facilities.

NOTE J: Paved hiking/biking trails located within the limits of the Subdivision shall be open for use by the general public. These trails, located within Lot 1, Reserve "B", Reserve "C", and Reserve "F" and certain public street rights-of-way in the Subdivision shall be maintained by the Association and the Association shall maintain said trails at its cost and at its risk and shall hold the Village of New Albany, Ohio, harmless from actions resulting from said maintenance.

NOTE K: 100 Year Design Flood In Lots 14, 15, 16, 17, 18, 20, 21, 22, 23, 24, 25, 26, 27, 28, 32, and 33:

The boundary of the 100-year design flood in Lots 14, 15, 16, 17, 18, 20, 21, 22, 23, 24, 25, 26, 27, 28, 32, and 33, which boundary is shown hereon and designated "100-year flood limit", is intended to be in a location that is coincident with the locations of the elevations of the 100-year design flood along the watercourse located along the northerly or southerly sides of said lots. Portions of this boundary are in locations that anticipate the finished ground surface in the applicable areas of said lots being in accordance with the grading plan for said area as shown on the approved master grading plan for Tidewater at New Albany. Correspondingly, portions of the boundary of the Drainage Easement area shown hereon adjacent to said 100-year flood limit boundary were set in anticipation of said finished ground surface being in accordance with said grading plan. The watercourse referred to hereinabove shall remain open and enclosure by pipe structure or any other structure in the future is hereby prohibited unless otherwise approved by the Village of New Albany, Ohio, Municipal Engineer.

NOTE L: Lots 14, 15, 16, 17, 18, 20, 21, 22, 23, 24, 25, 26, 27, 28, 32, and 33:

The Tidewater at New Albany homeowner's association shall have and is hereby granted a nonexclusive right and easement in and over said areas of land designated "Landscape Buffer", to care for and maintain said landscaping and trees. Said association shall have the right but not the obligation to care for and maintain said landscaping and trees within each area designated "Landscape Buffer" should the owner of the fee simple title thereof fail to do so.

XIII. MISCELLANEOUS

A. Term. This Declaration shall bind and run with the land for a term of thirty (30) years from and after the date that this Declaration is filed for recording with the appropriate governmental office and thereafter shall automatically renew forever for successive periods of 10 years each, unless earlier terminated by a majority of the Members, or by the Developer.

B. Enforcement; Waiver. This Declaration may be enforced by any proceeding at law or in equity by the Developer, any Owner, the Association, and their respective heirs, successors and assigns, against any person(s) violating, or attempting to violate, any covenant or restriction, to restrain and/or to enjoin violation, to obtain a decree for specific performance as to removal of any nonconforming Improvement, and to recover all damages, costs of enforcement and any other costs incurred (including without limitation reasonable attorneys' fees). Failure of the Developer, the Association or any Owner to enforce any provision of this Declaration or the Rules in any manner shall not constitute a waiver of any right to enforce any violation of such provision. By accepting a deed to a Lot, each Owner is deemed to waive the defenses of laches and statute of limitations in connection with the enforcement of this Declaration or the Rules.

C. Amendments. Until the sale of the last Lot by Developer, Developer may, in its sole and absolute discretion, unilaterally amend this Declaration at any time and from time to time, without the consent of any other Owners. Any such amendment may impose covenants, conditions, restrictions and easements upon any Lots or Reserves in addition to those set forth herein including, without limitation, restrictions on use and covenants to pay additional charges with respect to the maintenance and improvement of the Subdivision. After the sale of the last Lot by Developer, Developer may unilaterally amend this Declaration, without the consent of any other Owners, if such amendment is:

1. necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, regulation, or judicial order,
2. necessary to enable any reputable title insurance company to issue title insurance coverage on the Lots,
3. necessary to conform to the requirements of United States Federal Housing Administration, or

4. necessary to correct errors; provided, however, any such amendment shall not materially adversely affect the title to any Lot unless the Owner thereof has consented to such amendment in writing.

No amendment may remove, revoke, or modify any right or privilege of Developer without the written consent of Developer or the assignee of such right or privilege. Developer shall have the right and power, but neither the duty nor the obligation, in its sole and absolute discretion and by its sole act, to subject additional property to this Declaration at any time and from time to time by executing and recording in the appropriate governmental office an amendment to this Declaration specifying that such additional property is part of the Property. An amendment to this Declaration shall not require the joinder or consent of the Association, other Owners, mortgagees or any other person. In addition, such amendments to the Declaration may contain such supplementary, additional, different, new, varied, revised or amended provisions and memberships as may be necessary or appropriate, as determined by Developer, to reflect and address the different character or intended development of any such additional property.

Upon conveyance of all of the Lots by the Developer, this Declaration may be amended only by a majority vote of the Lot Owners.

- D. Developer's Rights to Complete Development. Developer shall have the right to:
 1. complete the development, construction, promotion, marketing, sale, resale and leasing of Lots;
 2. construct or alter Improvements on any Lot owned by Developer;
 3. construct or alter the Improvements on the Reserves;
 4. maintain model homes, offices for construction, sales or leasing purposes, storage areas, construction yards or similar facilities on any Lot owned by Developer or the Association; or
 5. post signs incidental to the development, construction, promotion, marketing, sale and leasing of property within the Lots.

Further, Developer shall have the right of ingress and egress through the streets, paths and walkways located in the Subdivision for any purpose whatsoever, including, but not limited to, purposes related to the construction, maintenance and operation of Improvements. Nothing contained in this Declaration shall limit the rights of Developer or require Developer to obtain approval to: (i) excavate, cut, fill or grade any Lot owned by Developer or construct, alter, remodel, demolish or replace any Improvements on any Reserves; or (ii) remove or alter any property owned by Developer as a construction office, model home or real estate sales or leasing office in connection with the sale of any Lot; or (iii) require Developer to seek or obtain the approval of the Association for any such activity or Improvement on any Reserve or any Lot owned by Developer. Nothing in this Section shall limit or impair the reserved rights of Developer as elsewhere provided in this Declaration.

E. Mortgagee Rights. A holder or insurer of a first mortgage upon any Lot, upon written request to the Association (which request shall state the name and address of such holder or insurer and a description of the Lot) shall be entitled to timely written notice of:

1. any proposed amendment of this Declaration;

2. any proposed termination of the Association; and
3. any default under this Declaration which gives rise to a cause of action by the Association against the Owner of the Lot subject to the mortgage of such holder or insurer, where the default has not been cured in sixty (60) days.

Each holder and insurer of a first mortgage on any Lot shall be entitled, upon request and at such mortgagee's expense, to inspect the books and records of the Association during the normal business hours.

G. Indemnification. The Association shall indemnify every Board member, officer and director of the Association against any all claims, liabilities, expenses, including attorneys' fees, reasonably incurred by or imposed upon any officer or director in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the Board) to which he/she may be a party by reason of being or having been an officer or director. The Board members, officers and directors shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misconduct, bad faith or gross negligence. The Board members, officers and directors of the Association shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such Board members, officers and directors may also be Members of the Association), and the Association shall indemnify and forever hold each such Board member, officer and director free from and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided herein shall not be exclusive of any other rights to which any Board member, officer or director, or former Board member, officer or director may be entitled.

H. Severability. If any article, section, paragraph, sentence, clause or word in this Declaration is held by a court of competent jurisdiction to be in conflict with any law of the State, then the requirements of such law shall prevail and the conflicting provision or language shall be deemed void in such circumstances; provided that the remaining provisions or language of this Declaration shall continue in full force and effect.

I. Captions. The caption of each Article, section and paragraph of this Declaration is inserted only as a matter of reference and does not define, limit or describe the scope or intent of the provisions of this Declaration.

J. Notices. Notices to an Owner shall be given in writing, by personal delivery, at the Lot, if a residence has been constructed on such Lot, or by depositing such notice in the United States Mail, first class, postage prepaid, to the address of the Owner of the Lot as shown by the records of the Association, or as otherwise designated in writing by the Owner.
